### **Call for Volunteers!**

Are you interested in helping set the direction for growth in Springville? Would you be willing to serve now?

The Planning & Zoning Commission make recommendations to the City Council regarding rezoning, preliminary and final plats, site plans and certain ordinance changes.

The Commission reviews applications in accordance with approved regulations pertaining to all zoning districts within the City of Springville. The Commission helps determine the character of districts and their unique suitability for particular uses, with a view toward conserving the value of buildings, encouraging the most appropriate use of land throughout the City.

The Commission typically meets less than once a month and would only require a few hours of your time.

Do your part to help Springville grow  
right!

# DO YOU REMEMBER WHEN...

## Local men served in 'Roosevelt's Tree Army'

The Civilian Conservation Corps (CCC) was part of President Franklin D. Roosevelt's New Deal in the Great Depression. Nicknamed "Roosevelt's Tree Army," it carried out conservation and natural resources projects in rural lands owned by federal, state, and local governments.

From 1933 to 1942, the CCC provided work for single men in their late teens and early 20s. Each member received food, shelter, clothing, and \$30 a month, of which \$25 was sent directly to his parents. (In 1933, \$5 had the buying power of \$92 today, according to DollarTimes.)

The Great Depression lasted from 1929 to 1939 (some say longer). For the majority of today's population, lacking firsthand memories of this bleak time, the hardship is difficult to imagine. Unemployment rates peaked above 25 percent in 1933, and remained above 14 percent into the 1940s. Many farmers lost their farms.

At least four local men, all alumni of Springville High School, were in the CCC. They were **Loren B. "Bucky" Brown** and **Clair C. "Kye" Carnahan**, both 1930 SHS graduates; **J. Paul Ewart**, 1934; and **Ray D. McNeilly**, 1926. There probably were others as well.

**Bucky Brown** was born in 1912 to J. Willis and Jennie Reed Brown. The CCC sent him to Thornton, Ark., in 1933. A former member of Roy Schwab's band, Bucky had his CCC job and also played trumpet in a dance band. He met Virginia "Jimmie" Louise Rigotti of nearby

**LEFT:** Loren "Bucky" Brown at CCC camp in Arkansas. **TOP RIGHT:** Clair "Kye" and Fay Carnahan. **BOTTOM RIGHT:** J. Paul Ewart, about 1934.

Fordyce, Ark., on a blind date. (Initially, she did not want to go out with a Yankee!)

Bucky and Jimmie married June 20, 1935, in Fordyce, and lived in Springville. They had two sons: Fred, now of Decorah, and Joe, of Springville and Pharr, Texas. Bucky was Springville's mayor from 1954 through 1959, 1962 to 1965, and Jan. 1, 1980, until his death Oct. 11, 1981. Jimmie, a cook in the school hot lunch program, died in 1992.

**Kye Carnahan's** parents were Jesse W. and Reba Mae Benton Carnahan. The dates and location of his CCC service are unknown. Born in 1911, he married Fay Josephine Pherrin in 1938. They were parents of Joe and Steve Carnahan of Springville, and the late Nancy Brown, who lived at Dayton, Texas. Fay died in 1994, Kye in 1998.

**Paul Ewart** was born in 1915 to Jacob and Anna Paul Ewart. He joined the CCC with his first cousin, Harrison D. Paul of Marion, who was the same age. They worked at Backbone State Park in Delaware County, three miles south of Strawberry Point. Among other structures, they helped build a dam on the Maquoketa River.

Paul Ewart and Maurita E. Hoffman were married March 9, 1938. They farmed on Burr Oaks Road west of Springville. Paul died in 1986, Maurita in 2016. Their children are Willard Ewart and Mickie Benesh, both of Springville; and Paula Bachman, Marion.

**Ray D. McNeilly** was born in 1908 in Jones County to William and Rilla Duncan McNeilly. Nothing is known about his CCC service. He married Margaret (*maiden name unknown*). In 1940, they lived at Bancroft in Kosuth County. Patricia, Margaret Jo, Ray Jr, and David are their children. Ray Sr. died in 1993 at Roswell, N. M.

**NOTE:** If you know of any other Springville area men who were in the CCC, please tell Karen Taylor, 854-7422 or [kjsafleytaylor@msn.com](mailto:kjsafleytaylor@msn.com).

### A lodge named Mystic Toilers

A lodge called Mystic Toilers began in Springville Jan. 9, 1901. It was a chapter of a national group that had started two years earlier to provide both socializing and life insurance. The Springville lodge, organized by Jacob J. Dewald, had 44 charter members, 28 men and 16 women.

Noah L. Bolton, 40, was president; David L. Johnston, 40 vice president; Mamie Hossler, 18 secretary; and Minnie Wagner, about 25, treasurer. (Johnston died in 1907, leaving his wife Nettie to raise two small children, Lee Andrew "Andy" Johnston and Frieda Johnston, later Mrs. Alexander Taylor.)

Among other Mystic Toilers were Dr. George W. Gearhart, local physician, and Orrin E. Crane, owner and editor of the Springville New Era. How long this lodge existed in Springville is not known. The national organization changed its name to Liberty Life Insurance Company in 1919.

### 1930 permits for out-of-staters

*From the Cedar Rapids Gazette-Republican, March 30, 1930:* "A sticker in the form of a yellow ear of corn, bearing in red letters the words, 'Guest of Iowa,' is the official guest motorist's permit for 1930 just received by (the) Linn County Treasurer . . . for issuance to car owners of other states.

"The stickers . . . (are) a convenience to tourists spending a few days or more in Iowa." Visiting motorists, said the article, "will not be bothered about purchasing a new license as long as the permit is effective." With a sticker on the windshield, tourists could avoid "explaining their status to inspectors or police officers checking on car registration."

“The Treva Davis Children’s Center”

The Springville Memorial Library Board of Trustees chose to approve the renaming of our children’s area, to honor a long time library volunteer and board member. The reading and play areas, previously an unnamed section, will now be known as “*The Treva Davis Children’s Center*”. Treva, who came to Springville in 1972 as the school librarian until 2010. She has been a long time champion of all things library. She has been a board trustee since 1981, and served as the President of the board, for many, many years. Her passion for the library was a driving force in the long quest to fund and build a new library – something that was achieved just twelve years ago, when our current building opened its doors. During that move, the first books to be moved, by Treva herself, were the children’s books. Reading to the little ones is one of her favorite things to do – and she has inspired and encouraged hundreds of children to pursue the joy of reading during her time in Springville. There is no more fitting section to bear her name, and no one more worthy of having that special designation, than “Mrs. Davis, The Library Lady” We are grateful to her for her decades of support and hard work in building and maintaining a library our community can be very proud of. Thank you Treva, for all you have done, and continue to do for our library and our community! —The Library Board

Case Closed!

Yet another mystery solved thanks to the hard work of Detective Kaylyn James (Jamie Kruk)! We had another great turnout for “Murder in the Library!” on Saturday, July 8. Our detective cooked a meal, gathered the suspects, marked the crime scene, and still had time to catch the culprit. In order to make this possible, we had some great volunteers. Thanks to: Angel Chizek, Emily and Linda El-dred, Mary-Ann Herring, Torie Hudson, and Brad Wilson. And of course, thanks to Jamie for planning the program for the fourth year in a row. It’s always a fun program, and we can’t wait for the next one!

Early Out Wednesday Returns

We’re taking a short Wednesday activity break. After Summer Reading ends on the 9<sup>th</sup>, we will not have activities on Wednesday the 16<sup>th</sup> or Wednesday the 23<sup>rd</sup>. But starting Wednesday, August 30<sup>th</sup>, Early Out Wednesdays are back. We’ll have a movie kickoff day to celebrate their return and to prepare for a year of fun.

Summer Reading Finale

Well, summer reading is almost over. We’ve had a busy summer with some great programs! We’ve learned about rocks and minerals, about the importance of recycling, about energy and how we use it, and so much more. We’ve made crafts and watched movies, heard some great stories, and most importantly, had a lot of fun. Wednesday August 9<sup>th</sup> is National Book Lover’s Day, and so on that day we’ll be having our final party, complete with prize give away!

### Meningococcal Vaccine School Requirement For students entering 7th and 12th Grades for the 2017-18 School Year

The Iowa Department of Public Health, along with its community healthcare partners, is issuing new instructions regarding mandatory vaccines for students enrolling in 7th and 12th grades for the 2017-18 school year. Those students must be fully vaccinated against meningococcal disease in order to attend school next year.

Linn County health care providers are united in this initiative to keep our children and young adults protected from meningococcal infection.

Families of students should contact their healthcare provider for an appointment to receive the required vaccine. Those vaccinations may take place now, or at any time prior to the beginning of the school year, and completed immunization forms can be turned in to the school nurse's office.

The meningococcal vaccine protects against serious and sometimes deadly diseases, such as meningitis (an infection of the lining of the brain and spinal cord) and sepsis (blood infections).

The vaccine is administered as a shot.

#### Requirements for the 2017-18 school year:

- One dose of meningococcal vaccine for students who will be in 7th grade (if born after Sept. 15, 2004). If the child had the first dose on or after the age of 10, then another dose is not required until he/she is 16 years old.
- One dose of meningococcal vaccine for students who will be in 12th grade (if born after Sept. 15, 1999). If the student had the vaccine on or after the age of 16, then another dose is not required.

*By law, students who are not up-to-date will not be allowed to attend school or participate in school activities until they are vaccinated.*
