Thank you Springville. We have once again placed first in the Lindale Mall Dollars for Students. They changed things up a little this year, but we came out on top and won \$3,100 for our school district.

Accepting the check is Madi Wagaman, Jacey Martin, Mikayla Nachazel and Rylee Menster.

STREET BANNER SPONSORSHIP PROGRAM

The city is trying to get a street banner on every street light along Broadway, in order to accomplish this and to help with the expense they are offering a sponsorship program. This program is for anyone-- businesses, groups, organizations, and individuals. For a one-time fee of \$90 you can choose from five (5) different banner styles and have your name at the bottom of the banner. This is a great way to help the city and to advertise your business or organization. Also you could honor a family member by putting their name on a banner. We have already sold these sponsorships to a lot of the businesses, but we still need more banners. Please consider sponsoring a banner. For more information or to order a street banner contact Treva Davis at 854-6950. It's a win, win for everyone.

Carl Burroughs in a rowboat on the Springville pond, once called Crystal Lake. In background are railroad tracks. Date of photo is unknown. In June 1911, Burroughs contracted polio and lost the use of his legs, but with help could still get into a boat. See article on Page 2. (Photo courtesy of Bonnie King)

DO YOU REMEMBER WHEN...

Carl Burroughs didn't let adversity derail his life

As a toddler, he was terribly burned. At 25, he became crippled. At 81, he had both legs amputated. But Carl Leslie Burroughs triumphed over setbacks and lived to be 90.

He was born on a farm northwest of Springville March 7, 1886, son of Millard F. and Rosa Black Burroughs. At age 2, he fell into a tub of boiling laundry water. While Millard rode for a doctor, an elderly woman applied molasses, then flour, to the burns.

In 1896, Millard, Rosa, Carl, and two older children, moved to Springville. A daughter born the next year died in infancy. Carl at 13 began part-time work in Byron Hopper's store. Millard thought an eighth-grade education was enough, but others persuaded him to keep his son in school. In 1904, Carl graduated from high school.

After a summer on the railroad section gang, Carl taught two rural schools, Oak Park near Viola and White's Corner east of Springville. At 20, he took a job with the Exchange Bank. At 24, he became Springville's youngest mayor.

In June 1911, polio struck as Carl, 25, pitched a baseball game at Central City. The \$1,500 he had saved for marriage and a home went for treatment in St. Louis. It didn't help, but Carl planned his future.

Returning to Springville, he started an insurance agency Jan. 1, 1913, in a frame building on Broadway. The owners, Crew & Son Realty, gave him free rent for doing their bookkeeping. (Hiner Plumbing & Heating now occupies the site.)

In 1916, Carl moved across the street to the Springville Savings Bank, located in the Odd Fellows building. He became the bank's cashier and vice president, besides selling insurance.

Carl's fiancée, Cora E. (Bess) Bowersox, waited for him over six years, teaching high school in Springville and other towns. They married Nov. 24, 1917, in a car on the Linn-Johnson county line! (The license was obtained in Linn County; Bess was from Shueyville.) The minister tactlessly predicted their marriage would fail because Carl was "a cripple."

CARL AND BESS Burroughs had two daughters. Carol Burroughs Taylor was a Springville resident most of her life. She died in 2009 at age 86. Jean Burroughs Branch is 97 and lives in Lombard, Ill. Both graduated from Springville High School.

Millard B. had many work hats

Millard Fillmore Burroughs, Carl's father, was born in 1855 in Elmer, Salem County, N. J. He moved to Linn County, Iowa, in 1877 and married Rosa Ellen Black in 1878. After working for farmers, in 1879 he began farming for himself. He had a poultry business, too.

Moving to Springville in 1896, Millard ran a restaurant, where Rosa's pies were famous. Next he owned a meat market. A livery stable may have preceded the restaurant. In 1918, he opened a tire and battery shop and service station. He was still working when he died at 85 in April 1941.

The newlyweds moved into a new home on Fourth Street. Jean Marie was born in 1920, Carol Elizabeth in 1923. The Burroughs marriage lasted 59 years, but the Springville Savings Bank failed in July 1932. Carl then had an office built at his home.

Over the years, both daughters, son-in-law Kenny Taylor, and three grandchildren – Dee and Linda Taylor (now Kipp) and Bonnie Feuerbach (now King) – helped Carl, often serving as the legs for his business.

Circulation in Carl's legs was poor. Because gangrene was a threat, both legs were removed above the knees in 1967. Due to his severe burns at age 2, the surgery sites never fully healed. Carl voiced no complaint, and resumed work at age 81.

After 58 years in business, Carl sold his insurance agency to Harold Stewart in January 1971. An admirable life ended Nov. 16, 1976, with Carl's death in a Marion nursing home. Bess, 94, died Dec. 21, 1982. They had been a Springville institution.

Modes of transportation

One of Springville's earliest cars belonged to Carl Burroughs. Purchased in 1918, it had hand controls installed by a mechanic, as Carl's polio-damaged legs could not press foot pedals.

Before 1918, for the short commute to work he had a large, custom-built "street chair." His granddaughter, Bonnie King said, "Kids would 'borrow' it for joy rides up town. Someone was always having to retrieve it so he could get home."

Next Historical Society meeting Feb. 13

The Springville Area Historical Society (SAHS) will meet Tuesday, Feb. 13, at 6:30 p.m. in the SAHS building beside City Hall. Anyone interested is welcome to attend.

Topics at the Jan. 9 meeting included the Opera House, dentists and barbers, Odd Fellows and Rebekahs, Stambaugh's Garage, and World War II flyers. James Crow, president, and Rick Heeren explained the joint Springville-Brown Township fire protection setup.

Paul Nielsen, 90 on Jan. 17, said his father had planned to come to the U. S. on the Titanic. Instead, Pete Nielsen sailed on the Mauritania in 1913. Paul also showed three photos of Broadway taken in different years.

Bob and Shirley Parker donated a 1934 Briner's grocery store calendar. Historian Karen Taylor discussed Springville's Nathan Brown, a Revolutionary War veteran, and three other men with the same name. One of them lived 20 years in Wapello County, Iowa.

Also present Jan. 9 were vice president Wes Bender; secretary-treasurer Jean Schmidt, Doug Beard, Dixie Brady, Rev. Anna Mae Peck, and Phil and Karen Randall.

Friends of the Library Sales

Did you know that there is a little corner of the library where you can shop instead of borrow? The Friends of the Library sell books, DVD's, VHS tapes, audio CD's, and computer games. There is always a nice selection of items and all proceeds go back to the library. Be sure to come see it and get a great deal.

Learning Express

Do you know about Learning Express? Learning Express is a FREE website full of resources for students, potential students, and adults

looking to build skills. There are links to GED practice tests, ACT/SAT prep, computer building skills, reading, writing and math skill building, and career advice. Visit our website www.springville.lib.ia.us and find the Learning Express link to be directed to these great resources.

Furry Friends Fundraiser

It is so important to us at the library to do community outreach programs. As you may know we frequently have drives for women's shelters and food pantries. Well, now it's time to help our four legged friends! All through the month of February, all fines paid off will be donated to the Cedar Valley Humane Society. Donated funds will be used to provide food, shelter, vaccinations, spay/neuter surgeries, and critical veterinary care. The CVHS serves about 1,300 animals a year, so every little penny helps. We encourage you to come clear your library account and help a furry friend in need. In addition to our fundraiser, we are joining the CVHS Doghouse Donation Bank Program, a freewill donation program. The CVHS provides us with a bank for freewill donations, and it will be located on the circulation desk. If you would like to reach out to the shelter directly for more information about what they do or more ways you can help, you can reach them at 319-362-6288, or visit www.cvhumane.org. Any and all donations will be very appreciated, by us, the CVHS, and of course the animals that are helped by the generosity of our patrons.

out from them, and you check it out from us, with just a two dollar postage fee. So if we don't have the book, movie, or audio book you are looking for, let us know and we will try our hardest to find it for you.

E-Book Lending

Are you attached to your E-Reader? Did you know you can check books out for FREE with it? We pair with the State Library to provide you with e-books and audio books sent straight to your device. Visit <https://bridges.overdrive.com>, hit "sign in" and choose to either register with an email address, or find "Springville Memorial Library" on the BRIDGES list of libraries. Once you've done that, just enter your patron number and start searching! Don't know your patron number? That's okay. You can call, email, or Facebook message us to get it, or you can stop in and we can write it down for you. Happy E-reading!

Art Piece: Coming Soon

Thanks to even more volunteer hours, Jack Gilbert and Alan Safely have put together a beautiful and unique art piece for display at the library. It's going up any day now, so keep an eye out for it. Remember we are reaching out to our patrons for ideas for the name of the piece. We will have forms available to fill out so you can submit your name for the artwork. Stop by the library and ask for a form. We can't wait to have this piece up for the whole town to see.

The bid security shall be in the amount of five (5) percent of the amount of the CONTRACT and shall be in the form of a cashier's check, or certified check drawn on a state chartered or federally chartered bank, or a certified share draft drawn on a state-chartered or federally chartered credit union, or a Bid Bond issued by a surety meeting the requirements of Paragraph 5.01 and 5.02 of the General Conditions. The Bid Bond shall contain no exceptions.

OWNER is designated a Tax Exempt Entity. As such, CONTRACTOR, and any subcontractors, under this contract, shall be provided a Tax Exempt Certificate and authorization letter from the OWNER. Tax Exempt certificate and authorization letter shall be used by CONTRACTOR to secure building materials or equipment intended for completion of this project without payment of sales tax. CONTRACTOR is not mandated to complete Iowa Department of Revenue Form 35002 – Iowa Contractor's Statement upon execution of agreement. CONTRACTOR agrees to this method of sales tax exemption and it shall not be modified during the course of construction.

BIDDER shall satisfy themselves of the accuracy of the estimated quantities in the BID schedule by examination of the site and review of the contract documents; including ADDENDA. In case of failure of the BIDDER to execute the AGREEMENT, the OWNER may at his option consider the BIDDER in default, in which case the BID BOND shall become property of the OWNER.

BIDDERS must indicate on the BID form the proposed equipment and subcontractors who will be performing the major portions of the work.

No BID submitted by any BIDDER which contains a condition or qualification shall be recognized or accepted by the OWNER and any letter or communication accompanying the BID which contains a condition or qualification upon the BID which has the effect of qualifying or modifying any provision of the contract documents in any manner will be construed as a qualifying BID and will be rejected by the OWNER as non-responsive.

Any bidder or equipment supplier who firm or affiliate is listed in the GSA publication "List of Parties Excluded from Federal Procurement and Non-procurement Programs" will be prohibited from the bidding process. Anyone submitting a bid who is listed in this publication will be determined to be a non-responsive bidder in accordance with 40 CFR Part 31.

A contractor's Suspension/Debarment Certification will be contained in the specifications; however, this certification should not preclude any interested party from ascertaining whether the certifying person is actually on the "List of Parties Excluded from Federal Procurement and Non-procurement Programs."

By the submission of its bid, each bidder acknowledges that he understands and agrees to be bound by the equal opportunity requirements of EPA regulations (40 CFR Part B, particularly Section 8.4(b)), which shall be applicable throughout the performance of work under any contract awarded pursuant to this solicitation. Each bidder agrees that if awarded a contract, it will similarly bind contractually each subcontractor. In implementation of the foregoing policies, each bidder further understands and agrees that if awarded a contract, it must engage in affirmative action directed at promoting and ensuring equal employment opportunity in the workforce used under the contract (and that it must require contractually the same effort of all subcontractors whose subcontracts exceed \$10,000). The bidder understands and agrees that "affirmative action" as used herein shall constitute a good faith effort to achieve and maintain that amount of minority employment in the on-site workforce used on the project which corresponds, for each trade used, to the minority population in the serving labor market area from which workers are reasonably available for hire for the project.

No bidder may withdraw his bid within 60 days after the actual date of the opening thereof

OWNER reserves the right to waive any informalities or to reject any or all bids.
