## Dee's Desk

*"Coming together is a beginning; keeping together is progress; working together is success."*  
~Henry Ford

Congratulations Class of 2022! Such a big accomplishment. There are so many paths to take at this point in your lives. The City hopes that you find the path that is right for you and makes you happy. All of us here wish you well.

It is been a chilly spring this year, Mother Nature has put us on a crazy ride. We are less than a month away from the official start of summer and I don't know about you, but I am almost scared to see what she has in store for us. With the temperatures being unusually low, many of us have not gotten out and taken care of our yards like we should. This is just a reminder to stay on top of the grass and weeds, and please do not blow your clippings out into the street. The grass clogs up the storm sewer and makes the streets slick for bicycles and motorcycles. The City yard waste site is open for your grass clippings.

City Wide garage sales are coming up June 11. We have lots of questions why our office is no longer providing maps. We used to charge \$5 to be on the map and that would help defer the cost of advertising. It takes time to get addresses registered and get a map produced. We found that people were not registering, but have a sale. We just decided it freed up office time by just paying for the advertising. If there is a demand for maps we would gladly help a volunteer to coordinate that for next year.

We are also going to have Amnesty Day again, but due to a lack of volunteers we are going to push it back to September when we can try to get the high school kids to help out. This is a great service provided by the City Council, but it does take some worker bees to help get it to be successful.

I guess my overall theme for my article this month, is help out when you can and are able. It helps our community to be better. We have such a great little town, but it takes a village to make it work.

As always, if there is anything that our office can do for you or help you, please do not hesitate to reach out to us.

Your Clerk,

*Dee Wagaman*

## PLANNING AND ZONING COMMISSION VACANCY

We are looking for a couple people to fill two vacancies on the Planning & Zoning Commission.

The P & Z Commission helps to establish the City zoning regulations. The commission also helps with recommendations of improvements within the City. The commission is responsible for reviewing and making comments on all plans, plats or subdivisions.

If interested, applications are available at the City Clerk's Office or on the City's website: [www.cityofspringville.us](http://www.cityofspringville.us). Please submit completed applications to the City Clerk's Office.

## LIBRARY BOARD VACANCY

**There is a term opening on the Board of Trustees for the Springville Memorial Library**

1 City Board member (6 year term)

**Public Library Boards have five primary roles:**

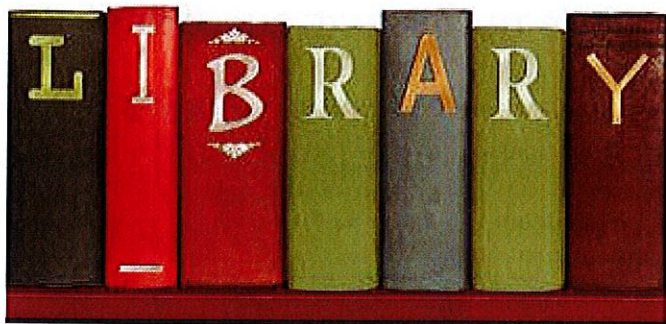

1. Advocate for the library in the community and advocate for the community as a member of the Library Board.
2. Plan for the future of the library.
3. Monitor and evaluate the overall effectiveness of the library.
4. Set library policies.
5. Hire and evaluate the library director.

**Completed paperwork is due in the library by June 3, 2022.**

THE SPRINGVILLE MEMORIAL LIBRARY  
WILL BE **CLOSED** FOR  
PRIMARY ELECTION DAY ON  
TUESDAY, JUNE 7TH.

This year's summer reading theme is  
**READ BEYOND THE BEATEN PATH**

Join us to explore new places, people  
and things by reading books, doing  
crafts and enjoying activities that take us away from our  
usual routines and into the unknown. REMEMBER  
Summer Reading is for patrons of all ages toddler  
through adult. Registration starts June 8.

### CHARGING BENCHES

Soon you will see a new addition to the front of the  
library, a charging bench. The Library was able to pur-  
chase this for the community with a Grant through the  
State Library. A second charging unit was also pur-  
chased by the library and will be installed on one of the  
benches in Cox Lake Park. Watch for these new addi-  
tions and we hope that they will make life a little easier  
for the community. Thank you to the city maintenance  
crew for pouring the cement pad, storing the bench,  
and installing the bench.

### STEAM/STEM News

AV-2 books are part of the STEAM/  
READING PROGRAM STEM program  
offered at your library. An AV-2 book can interact with  
the internet, and we have a selection of them here at  
the library. We also have several computer stations  
set up to use the books. Here's how it works: with the  
book in hand, go to [www.av2books.com](http://www.av2books.com). Enter the  
book code (example AVL49645) located on the inside  
cover. Once you do this, online enhancements such  
as activities, key words, audio, video, quizzes, etc.,  
become available. The book becomes something  
more than just a reading experience. We currently  
have AV-2 materials about animals, other countries  
and art. We'll be receiving three more each month.  
These books can be checked out to use with a device  
at home, or can be used at our library stations.

## City Council Joint Meeting

May 4, 2022

The Springville City Council met in a joint session with the Springville CSD School Board May 4, 2022.

Mayor Andersen called the meeting to order at 6:00 pm. Council members present: Cindy Kilburg, Jeff Baych, Bart Barner, and Karla Blakely. Brad Merritt was absent. City staff present: City Clerk Dee Wagaman. Also present was School Board Members: Albert Martin, Leisa Breifelder, Kate O'Brien-May, Amy Hosek, Superintendent Pat Hocking, future Superintendent, Autumn Pino, Board Secretary Stacey Matus. Also present was Major Chad Colston with the Linn County Sheriff's Office.

Discussion held on the safety of the kids walking across the cross walks. Major Colston brought up some suggestions that might help bring attention to the cross walks. His department has a hard time getting extra patrols to school districts as that time. That is when traffic naturally picks up and the majority of their accidents are occurring at that time taking the officers away. The City and school will continue to work out solutions.

Mayor Andersen updated the group of the City happenings. The Hwy 151 overpass is on a 5-year plan, the City is continuing to work on getting another housing development going. No other major street projects will be happening in the next year.

Superintendent Hocking updated the group on the facilities. None of the projects that the school is doing will affect property taxes. The SCSD has one of the lowest tax rates in the area. Derecho damaged the old elementary roof and the insurance company paid for a new roof. The tennis courts were deemed irreparable and will be removed and seeded for now. The school has seen growth since the building of the new elementary. It is just now starting to hold steady with an enrollment of just above 400 students.

Both parties agreed these meetings were good and that they help to maintain a good working relationship between the school and the city.

They will look at next fall for their next meeting.

There being no further discussion, Barner moved to adjourn at 6:50 p.m., seconded by Baych. All ayes. Motion carried.

## GRASS & WEEDS

Per Springville City Code Chapter §52.05 it is the property owner's responsibility to keep their property mowed so that grass and weeds are less than six (6) inches in height.

Please help our community look better by maintaining your property.

### REMINDER:

Please do not put grass clippings in the street. This can clog the storm sewer. It also makes the streets dangerous for bicyclists, mopeds, and motorcycles.

Thank you for your cooperation

## BARKING DOGS!

The City is receiving several complaints about dogs continuously barking during the day and also at night. If you are a dog owner, please put your dog inside or have a place for them to go so that they are not disturbing others.

Please be considerate of your neighbors, they may still be working from home, have a work schedule on a different shift and trying to sleep, or have health issues that are trying to rest to recuperate.

Also, as temperatures rise make sure your dog(s) have plenty of water and a shaded area to escape from the heat.
