"Happiness is not something you find, but rather something you create."

~Zig Ziglar

Summer is almost here!! School is officially out so it is time to watch out for those kids. They will be on mopeds, scooters, bikes and just running around. But parents it is just as important to teach your kids how to ride around safely.

This is the time of year where the City offices are usually pretty quiet, but this month we will be making sure all of the meters get replaced and updated into the system. We are keeping our fingers crossed that we get them all in by June so that we are only on the new billing system and not some of you left on the old system. Please help us in getting this accomplished by getting your home/business scheduled for the meter update. If you need help you can call into City Hall and we can assist you.

This month also appears to be a great month to get your houses and yards cleaned up and out. City wide garage sale day is June 10th and then the very next weekend is the City Amnesty day. Along with the amnesty day, The Exchange State Bank is hosting a free shred day. These are great opportunities to get rid of some the extras we all have piling up. As a reminder we will always take volunteers to help unload during Amnesty Day. Also, if you need help getting something to us, please let us know.

I just want to point out one more thing. The City is working on updating it's comprehensive plan. We would like as much input as we can get. There is a link to a short survey on page 12 of this newsletter. If you would prefer a hard copy, you can grab one at City Hall. We appreciate all the feedback we can get!

Your city clerk,

Dee Wagaman

Library Board Vacancy

There is a term opening on the Board of Trustees for the Springville Memorial Library:

One city board member for a six-year term.

2. Plan for the future of the library.
3. Monitor and evaluate for the overall effectiveness of the library.
4. Set library policies.
5. Hire and evaluate the library director.

If you are interested in being appointed by the Mayor to fill this vacancy, paperwork may be picked up at the library.

Complete paperwork is due to the library by **June 10, 2023.**

BRING DOLLY TO SPRINGVILLE

Imagine that every child from age 0-5 in Springville would get a book sent to them every month until they reach the age of five. Well, we can do that with a little help from you. The Dolly Parton Imagination Library makes this possible. Through their foundation for \$26 a year per child, a registered child will be mailed a book a month addressed to that child. Can you imagine

the excitement of that child as the book comes to them? We can.

Dolly Parton started the Imagination Library in honor of her father who couldn't read. Dolly wants to put books in the hands of as many children as possible. Since it's beginning in 1995 over 204 million books have been mailed to children worldwide. In order to bring the Imagination Library to the 52336 zip code, we need to raise \$5,000 to get this program off the ground. This will cover the cost of the books and mailing for two years. We want to keep it going longer than two years, so this will need your support in the future also. Books typically cost \$13 each but with the buying power of the Dollywood Foundation the average book cost \$2.20.

Just an example of what your sponsorship/donation can do: \$26 sponsors one child for one year; \$130 will give a child a book a month for five years; and \$500 will give 19 children a book a month for a year. There is no greater joy than seeing a child read a book. With reading books comes knowledge and knowledge makes a thinking, caring adult.

All donations are tax deductible through the Springville Community Schools Foundation 501(c)(3) status. Donations need to be made out to Springville Community Schools Foundation and may be dropped off at Springville City Hall or mailed to: Springville Community Schools Foundation, c/o Treva Davis, PO Box 12, Springville, Iowa 52336.

For more information about the program go to imaginationlibrary.com. Questions? Please contact: Suzanne Ramsey Carter, 319-361-7469 or Treva Davis 319-854-6950. Thank you for your support.

A STROLL THROUGH THE HIS

Abraham Lincoln and Mary Todd were married Nov. 4, 1842. Mary lived 17 years as a widow after her husband's April 1865 assassination.

Robert Todd Lincoln, only surviving son of President Lincoln, married Mary Eunice Harlan Sept. 24, 1868. Mary was very petite, weighing less than 100 pounds.

Iowa Wesleyan University had Lincoln family connections

Iowa Wesleyan University in Mount Pleasant was founded in 1842, four years before Iowa became a state. It closed permanently May 31 this year. The school had a longstanding connection with the family of Abraham Lincoln, 16th president of the United States.

Abraham and Mary Todd Lincoln had four sons, but only the oldest, Robert Todd Lincoln, lived to adulthood. On Sept. 24, 1868, Robert married Mary Eunice Harlan in Washington, D. C. The bride's father, James Harlan, was an early president of Iowa Wesleyan College, as it was originally called.

The widowed Mary Todd Lincoln attended the wedding, dressed in black mourning. Also present was her only other living son, Thomas "Tad" Lincoln, 15. He died three years later. Tad's brothers, Edward and William, had died in 1850 and 1859.

Robert and Mary Harlan Lincoln had three children: Mary "Mamie" Lincoln, wife of Charles Isham; Abraham "Jack" Lincoln II, who died of blood poisoning at 16; and Jessie Lincoln, who married three times.

Mamie's only child, Lincoln Isham, had no offspring. Jessie, at age 22, eloped with Warren Beckwith Jr., a fellow Iowa Wesleyan student and star football player. Their children were Mary "Peggy" Beckwith, who did not marry, and Robert Todd Lincoln Beckwith. The

Beckwith couple divorced; Jessie's other two marriages were childless.

Robert Beckwith, like his mother, married three times. He did not acknowledge paternity of any child, saying he was sterile due to surgery. However, his second wife, Annemarie Hoffman Beckwith, claimed Robert was the father of her son, called Timothy Lincoln Beckwith. She refused to allow paternity testing.

The Superior Court of the District of Columbia declared that Timothy was not Robert Beckwith's biological child. But the boy's claims to Robert's estate were never terminated. After Robert died, charitable organizations named as beneficiaries in his will offered Timothy \$1 million in exchange for giving up any claims to the estate.

Robert Todd Lincoln Beckwith, 81, died Dec. 24, 1985, in Hartfield, Va. He was the great-grandson and last direct descendant of President Abraham Lincoln.

IOWA CITY COLLEGE was chartered by the Iowa Territorial Legislature in 1842. It opened in 1845 and closed just two years later. The University of Iowa's founding date is 1847.

ISTORY OF SPRINGVILLE, IOWA

Springville residents went to Iowa Wesleyan University

At least two people from Springville attended Iowa Wesleyan University. **Randy Lagos** earned his bachelor's degree there in 1972. **Barbie Martin Waltz** was a student there in 1991 and 1992, but had to drop out for health reasons.

The daughter of Karen Martin and the late Stephen Martin, Barbie graduated in 1991 from Springville High School. At Iowa Wesleyan, she was on the volleyball, basketball and track teams. A severe shoulder injury incurred while playing volleyball forced her to return home midway through her sophomore year. She later had surgery.

Iowa Wesleyan was 149 years old when Barbie en-

tered as a freshman. She recalls its beautiful campus and a large old bell mounted at ground level. When an Iowa Wesleyan sports team scored a victory, students enthusiastically rang the bell. Barbie also has fond memories of the college dean, a woman whom she described as "very strict, but in a kind way."

A graduate of Kirkwood Community College, Barbie works in the investment field in Cedar Rapids as a senior administrator and limited partner. She and her husband Jeremy have a daughter, Morgan, and a son, Jacob, who graduated from Springville High in 2013 and 2022, respectively.

James Harlan, the man who fired Walt Whitman

James Harlan, whose daughter married Abraham Lincoln's son, was president of Iowa Wesleyan College (later University) from 1853 to 1855, and again in 1869-70. At other times, he was a U. S. senator from Iowa, and secretary of the Interior in Presidents Lincoln's and Andrew Johnson's Cabinets. (He quit the latter over differences with Johnson.)

Harlan and his wife, the former Ann Eliza Peck, were good friends of President and Mrs. Lincoln. Mary Lincoln encouraged her son Robert's courtship of Mary Harlan. Later in her life, however, she was estranged from her daughter-in-law.

One of Harlan's acts as Secretary of the Interior was firing poet Walt Whitman in June 1865. Whitman was a clerk; Harlan was his boss. Harlan claimed publicly that the firing was for budget reasons. But he told another government official he was outraged by Whitman's book, "Leaves of Grass."

Going through the poet's desk one evening, Harlan found a proof of the book. A strict Methodist deacon, he considered parts of the book improper and suggestive. He fumed, "I will not have the author of this book in this department!" Whitman soon got another job in the office of the Attorney General. "Leaves of Grass" remained controversial for decades.

Harlan was born in Clark County, Ill., in 1820 and lived in Indiana as a child. He moved his family to Iowa City in 1846 and to Mount Pleasant in 1853. His wife, Ann Harlan, died in 1884, and her widower Oct. 5, 1899. A statue of James Harlan stands on the Iowa Wesleyan campus.

FERGUSON® WATERWORKS

Dear Drinking Water Customer:

The City is upgrading its residential water meters. Your home is included in the next project area. The City is contracting with Ferguson Waterworks and VEPO Metering to complete the installation.

There is no cost for the replacement, but you are required to have your water meter replaced.

To install the new water meter:

- VEPO Metering will need to access the meter inside your home.
- The water meter area should be clear and accessible.
- An adult 18 years old or older must be present at the time of installation.

A four-hour block of time will be scheduled, and the installer will complete the meter installation within the four-hour time frame. The installation should take approximately 30 minutes.

VEPO Metering was selected based on their experience as a meter installation contractor. All installers will have identification, wear uniforms, travel in marked vehicles and have completed background checks.

The City of Springville, Ferguson Waterworks and VEPO Metering thank you in advance for your cooperation in making this a successful program.

Please contact **VEPO Metering** to schedule an appointment at 1-877-860-8376 or schedule online via the [website below](https://utilityscheduler.com/scheduler/springville). If you have any general questions about the replacement project, please feel free to contact the City at 319-854-6428.

Appointments must be scheduled within two weeks of receiving this letter.
Evening and weekend appointments are available upon request.

The Springville City Council met in regular session on May 15, 2023.

Pledge of Allegiance was recited.

Mayor Andersen called the meeting to order at 6:00 p.m. Council members present: Karla Blakely, Brad Merritt, Bart Barner, Cindy Kilburg, and Jeff Baych. City staff present: Public Works Supervisor Todd Wyman, City Clerk Dee Wagaman. Daryl & Shelly Pearson, Treva Davis, Gary Biles, Chief Hoyt, and Deputy Tindal were also in attendance.

Baych made a motion to approve the agenda, seconded by Kilburg. All ayes. Motion carried.

Mayor invited citizens with input to speak. Treva Davis (309 North Ave) wanted to compliment Rich Blakely for the work he is doing in our parks and the library lawn. She says the library looks better now than it did when a lawn company performed the work. She also presented council with information for Dolly Parton's "Imagination Library". It is a program that Dolly Parton started to honor her father. The goal is to get books in the hands of as many children as possible. When this program has raised \$5,000, they will bring it to Springville. This is the amount to cover two years of books. The program will provide a child from birth to five years old a book every month mailed directly to them. All donations are tax deductible through the Springville Schools Foundation 501c3 status. There being no other public comments, Mayor Andersen moved to business.

Mayor Andersen opened the public hearing regarding the FY23 proposed budget amendment at 6:22 p.m. No one spoke in favor or against the budget amendment. No comments received in the office. Merritt made a motion to close the public hearing at 6:23 p.m., seconded by Blakely. RCV: AYES: Merritt, Barner, Baych, Kilburg, Blakely. NAYS: None. **PUBLIC HEARING CLOSED.**

Todd McWherter spoke with council about getting a utility easement down the railroad ROW and our lagoon drive. This would be for fiber optic. He is looking to get as far away from the IDOT's interchange project. He would like to get this done during this year's construction season. This request will go before P & Z during their June 14th meeting.

Council discussed a City tree that was removed from in front of 206 5th St. This tree was mistakenly removed by the property owner. The tree has been cut down to ground level. Council would like to see the stump ground out and the area seeded. If the City had removed the tree, this is the standard to which it would have been done. A letter will go to the resident requesting that the stump be ground, and the area reseeded within 60 days.

Baych made a motion to approve Resolution 32-2023 to increase the scope of work done at Emmons Park, seconded by Barner. RCV: AYES: Kilburg, Baych, Barner, Blakely, Merritt. NAYS: None. **RESOLUTION 32-2023 adopted.**

Council discussed getting a sidewalk installed on the east side of 8th St. from 1st Ave to Mill Ave. Mayor would like to see a plan for other sidewalks around town. Council feels that this makes sense due to the safety issue and the amount of people who use that street to get from the new development to Mill Ave. This would be at the property owner's cost. Council would like to know where the sidewalks are on 1st Ave and Mill Ave to make a bet-

er decision as to the location. They would also like to get the property bins located so they know if there is room to install a sidewalk. Shive-lattery will be called to do a retracement. This will be brought to another council meeting after more information is gathered.

Barner made a motion to approve Resolution 33-2023 to increase the wages for part time mower, seconded by Kilburg. RCV: AYES: Baych, Barner, Merritt, Kilburg. ABSTAIN: Blakely. **RESOLUTION 33-2023 adopted.**

Council discussed the weed spraying at the Cemetery. The City only has paid for a fall application. The cost would be \$996 to do a spring application. The City contracts Linn Coop to do a spring and fall application in all the parks. Baych made a motion to add a spring application to the cemetery, seconded by Blakely. All ayes. Motion carried.

Blakely made a motion to approve Resolution 34-2023 to set library staff FY24 wages, seconded by Baych. RCV: AYES: Blakely, Merritt, Barner, Baych. ABSTAIN: Kilburg. **RESOLUTION 34-2023 adopted.**

Council discussed the proposed Ordinances that would need to be adopted to move forward with the agreement with Linn County to do the rental and home inspections. Council will have P & Z review the codes and give their recommendation at the June 19th council meeting.

Blakely made a motion to enter into closed session pursuant to Iowa Code Section 21.5(j) to discuss the purchase of particular real estate where premature disclosure could be reasonably expected to increase the price the governmental body would have to pay for that property or reduce the price the governmental body would receive for that property, seconded by Baych. RCV: Barner, Blakely, Merritt, Kilburg, Baych.

Council entered into closed session at 6:58 p.m.

Barner made a motion to come out of closed session at 7:33 p.m., seconded by Baych. RCV: AYES: Merritt, Kilburg, Blakely, Barner, Baych. NAYS: None. **Council exited closed session.**

RCV: AYES: Barner, Baych, Merritt, Blakely, Kilburg. NAYS: None.

The next regular council meeting will be Monday, June 5, 2023, at 6:00 p.m. at City Hall. There being no further discussion, Kilburg moved to adjourn at 7:35 p.m., seconded by Barner. All ayes. Motion carried.

YARD WASTE SITE

Reminder: The City Yard Waste site is only for leaves, grass, weeds, and small brush (2" or smaller). This is an example of what is not allowed. Please help us keep our yard waste site open.

ATTENTION DOG WALKERS

It has been brought to our attention that those of you walking your dogs are not picking up after your dogs. There is no excuse for not keeping our community parks and sidewalks nice for all our citizens.

If you have a dog, clean up after it. The city will be forced to fine these dog owners if not taken care of immediately.

GRASS & WEEDS

Per Springville City Code Chapter §52.05 it is the property owner's responsibility to keep their property mowed so that grass and weeds are less than six (6) inches in height.

Please help our community look better by maintaining your property.

REMINDER:

Please do not put grass clippings in the street. This can clog the storm sewer. It also makes the streets dangerous for bicyclists, mopeds, and motorcycles.

Thank you for your cooperation
