"A true leader doesn't create separation. A true leader brings people together."

Well Spring is right around the corner. That means the warmer weather should be coming soon. Residents will get back out to enjoy the town. This is always the time of year when the outside looks dirty before the grass begins to sprout. Let's do our part to keep the community looking good, if you see trash let's pick it up, if your pets leave a mess please pick it up.

We are about through the budget season. We have been working hard to get the best use out of your tax dollars. The budget must be submitted to the County and State by March 31.

If you have been looking for a way to get involved with your community we have two openings on our Planning & Zoning committee. If you are curious about that board stop by or give us a call.

With the breaking of the weather you will see more action in Emmons Park as the project continues to move forward. As with any project there are unforeseen circumstances, so please be patient and know that in the end Emmons Park will be a beautiful addition to our community. There is still time to donate to the project if you haven't done so already.

As always, if there is anything that we can do, please do not hesitate to reach out to us.

Your clerk,
Dee Wagaman

Springville Fire and Rescue is an all-volunteer fire department. We pride ourselves on being prepared for any emergency that may come our way. We are also a Provisional Paramedic service, this means that we will respond with one or more paramedics during the initial response of a medical emergency. We can provide the patient with an advanced level of care, whether this be lifesaving medications, early detection using 12 lead monitoring, or advanced techniques used to prevent further complications.

We train our members to the highest level available. We currently have 4 Paramedic Specialists, 2 Advanced EMTs, 7 EMTs, and 1 EMR on our medical staff. There are 3 members currently working on their EMT certifications, and 1 working towards his Paramedic Specialist. This level of certification has helped enforce a strong working relationship with Anamosa Ambulance, which is our primary transporting service for our district.

All of our members are certified or trained up to the level of Fire Fighter 1. This is the basic level to which all volunteer members must be trained in Iowa to take part in interior structural firefighting. Three of our members also serve as career members on full time departments, which allows us to gain ideas for training and implementation of our current practices to ensure we are using the most advanced techniques when we respond.

If you need to reach the fire department in the event of an emergency please dial 911. If you need to reach the department with questions please call 319-854-7500 and we will get back with you. If you need to speak to Chief Hoyt please dial 319-329-9142. Please do not call Chief Hoyt if you have an emergency, always dial 911 first.

"Dedicated To Life Safety"

It is golf cart season again in Springville!

Be sure to keep your eyes open for golf carts around town. Golf carts are energy efficient, cheaper to buy and maintain than regular cars, a lot of fun to drive.

ATV's & UTV's are now required to be registered with Linn County. No permit fee will be charged from the city.

Springville licenses the use of golf carts. These vehicles must have a slow-moving vehicle sign and a safety flag at least 5 feet high. A permit will be issued when the required \$25.00 payment, copy of current license(s) for anyone that will be driving the golf cart, and proof of insurance has been received in good order.

The Clerk's Office receives many complaints and concerns regarding people operating golf carts without permits, children not properly restrained, and driving at night. For your safety and the safety of others, make sure to operate the golf carts responsibly and according to City Code.

Please contact City Hall at 319-854-6428 to get or renew your golf cart. Letters will be sent out in early March to residents that had registered golf carts,

DOT To Move Ahead With Plans For Springville Interchange

By Jake Bourgeois news@journaleureka.com Feb 17, 2022

The Iowa Department of Transportation officials are set to continue the process of replacing the dangerous intersection at Springville Road and Highway 151.

The district commission will be asked next month for the designation of a "corridor preservation zone" in preparation of future work to replace the intersection with an interchange.

"When we enact corridor preservation, it's to preserve future land for a highway expansion or in this case a new interchange," district transportation coordinator Catherine Cutler said. "What it does is help us work with developers so that they don't build a new house or a new business in the area where we're going to come in and put a new interchange."

Back in 2019, before the speed limit was changed, a public meeting was held in Springville to discuss various alternatives. The preferred alternative is a diamond interchange that would take County Road X20 over Highway 151. This alternative would require a new three-lane bridge. One lane would go each direction, with a center turning lane and one lane entrance and exit ramps.

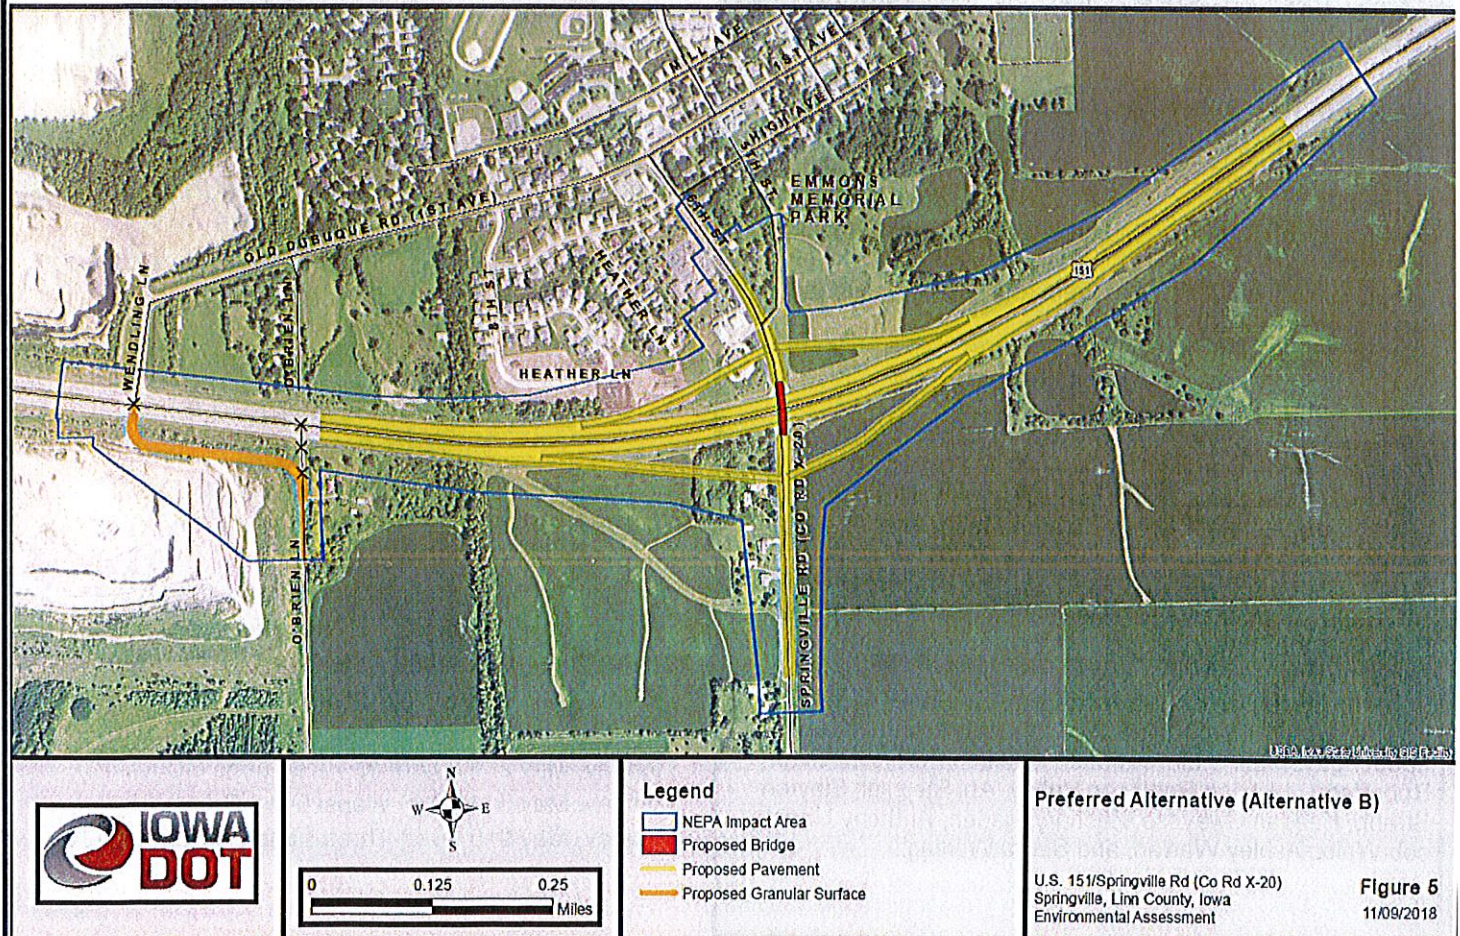

That is still the plan, according to Culver.

"That's always been our intention...but this topic has been a real hotbed issue in the local community," she said and had various levels of support from local officials.

At a meeting, council member Bart Barner and Iowa DOT officials discussed the stalling of the project and had the issue put on the agenda for the council's approval. The Springville City Council unanimously approved a resolution approving the DOT's plans for the interchange on February 9, 2022.

Even as the process moves forward, no changes are likely for a while with the project not currently on the five-year plan.

NOT A RICHARD SIMMONS WORKOUT!

Beginning March 2nd the library will host a morning exercise group two days per week. The group will meet in the Buresh Room at 9:30 a.m. Mondays and Wednesdays. Exercises will be in the form of low impact 15-30 minute video workouts.

Space considerations indicate nine participants would be a maximum number. If you have questions regarding this program please call Susan Cooper at 319-854-6331 or the library at 319-854-6444.

Other groups with an interest in using our facilities for an exercise program may call the library to arrange. Our Wi-Fi allows for use of various audiovisual aids.

MARCH MEAL AND MOVIE

March 16 will provide a chance for our seniors to enjoy a meal and a movie together. This event is sponsored by SANSI and the Springville Memorial Library. A luncheon of lasagna, garlic bread, salad, a drink and cookies will start at 11:00 in the library's Buresh Community Room. After lunch a film will be presented. In order to attend this event we do need you to call the library and RSVP (head count needed for the food, of course). We look forward to hearing from you no later than March 12.

FAREWELL CONCERT TO HONOR SAMANTHA LEKIN

Saturday, March 19 at 1:30 p.m. a concert will be held at the library in front of the fireplace. Country music will be provided by Harold Gray, Allen McGrew and Tim Nemec in honor of former library employee Samantha Lakin.

Samantha is relocating, and we want to wish her well. Come join us for the fun.

City Council Budget Workshop

February 9, 2022

The Springville City Council met in a budget workshop February 9, 2022. Mayor Andersen called the meeting to order at 5:00 pm. Council members present: Karla Blakely, Cindy Kilburg, Brad Merritt, Jeff Baych, and Bart Barner. City staff present: City Clerk Dee Wagaman. Barner made a motion to approve the agenda, seconded by Blakely. All ayes. Motion carried.

Wagaman presented the fund balances for all accounts to council. They discussed how the FY23 revenues and expenses would affect the balances. It is recommended that the general fund have 25% of annual operating expenses and that the proprietary accounts have 3-6 mos of annual operating expenses. All funds are at sufficient levels.

Council discussed water and sewer funds. Fund balances are good, but rates will need to be raised to keep from spending down into the fund. Council talked about solutions to cover debt and operating expenses. Wagaman presented several scenarios for future water/sewer rates and the effects that they would have on the residents. No decisions made at this workshop.

Another workshop will be scheduled to discuss further.

The next regular council meeting will be February 9, 2022, at 6:00 p.m. at City Hall.

There being no further discussion, Barner moved to adjourn at 5:59 p.m., second from Blakely. All ayes. Motion carried.

City Council Regular Meeting

February 9, 2022

The Springville City Council met in regular session February 9, 2022.

Pledge of allegiance was recited.

Mayor Andersen called the meeting to order at 6:00 pm. Council members present: Karla Blakely, Cindy Kilburg, Brad Merritt, Bart Barner, and Jeff Baych. City staff present: Public Works Director Todd Wyman and City Clerk Dee Wagaman. John Ryan was also present.

Merritt made a motion to approve the agenda, seconded by Kilburg. All ayes. Motion carried.

Blakely made a motion to approve the following consent agenda items: Approval of January 17, 2022, minutes, approval of January 31, 2022, minutes, and approval of bills, seconded by Kilburg. All ayes. Motion carried.

The sheriff's report was presented. No fire department report. Library presented a written report. No parks report. Wyman presented Public Works report. Wagaman presented treasurer's report and clerk's report. Mayor reported on new TV screen for presentations. No reports from council.

Mayor invited citizens with input to speak. There being no public comments, Andersen moved to business.

Mayor Andersen opened the public hearing to approve the FY23 Max Property Tax Levy at 6:13 pm. There were no comments for or against the proposed tax levy. Nothing came into the office. Merritt made a motion to close the public hearing at 6:15 pm, seconded by Blakely. All ayes. Motion carried.

Wagaman briefly reviewed the Max Levy. Barner made a motion to approve Resolution 7-2022 to approve the Max Levy for FY23, seconded by Blakely. RCV: AYES: Barner, Baych, Blakely, Kilburg, Merritt. NAYS: None. **RESOLUTION 7-2022 adopted.**

Council discussed the request from Stone to amend the parking on 5th St. to allow parking on the west side of the street by her home. Mayor met with school leaders to talk about their concerns with the parking in that area. The school district is pleased with the current parking situation as it is the safest option for kids to be dropped off and picked up. Topic died due to lack of motion.

Council discussed the cost estimate of extending water/sewer along 2nd St. The engineers estimate of probable cost totaled \$676,000. Wyman brought up the fact that it probably would not be a concrete street so that would take off \$22,000. The council did not feel that the cost was feasible for two roof tops. They were not opposed to revisit the topic if expansion would happen to the north of town.

Ryan asked council to consider vacating the rest of the alley by his property at 203 High Ave. He would like to build a house on the lot. The City has already vacated 3/4 of the alley. Barner does not think that the City will lose anything by vacating. Merritt does not want the city to pay for the vacating the alley. Wagaman will research the cost. Barner made a motion to move forward with the vacating of the alley by 203 High Ave, seconded by Blake Wagaman will start the process.

Wagaman presented the need for a budget amendment. Blakely made a motion to approve resolution 8-2022 to set a public hearing for March 7, 2022, at 6 pm to amend the FY22 budget, seconded by Kilburg. RCV: AYES: Blakely, Barner, Baych, Merritt, and Kilburg. NAYS: None. **RESOLUTION 8-2022 adopted.**

Wyman presented the need to post for the part time park/public works position. Steve will be moving this spring and cannot continue to work for the city. Blakely made a motion to post for a part time park/public works position, seconded by Kilburg. All ayes. Motion carried.

Council discussed the Hwy 151 interchange. The topic has been brought back to the table with so many recent accidents. The IDOT would like to see the City endorse the project. The council reviewed the plans that were presented at the March 2019 public meeting. Barner had recently met with the IDOT to find out why the project stalled after that meeting. There really was n't a reason why it hasn't proceeded. Barner made a motion to approve Resolution 9-2022, a resolution supporting the IDOT's proposed HWY 151 interchange project, seconded by Baych. RCV: AYES: Merritt, Blakely, Kilburg, Barner, and Baych. NAYS: None. **RESOLUTION 9-2022 adopted.**

The next regular council meeting will be February 21, 2022, at 6:00 p.m. at City Hall.

There being no further discussion, Kilburg moved to adjourn at 6:59 p.m., second from Blakely. All ayes. Motion carried.

City Council Regular Meeting

February 21, 2022

The Springville City Council met in regular session February 21, 2022. Pledge of allegiance was recited.

Mayor Andersen called the meeting to order at 6:00 pm. Council members present: Karla Blakely, Cindy Kilburg, Brad Merritt, Bart Barner, and Jeff Baych. City staff present: Public Works Director Todd Wyman and City Clerk Dee Wagaman. Wade Wamre (Shive Hattery), Mark Parmenter (City Attorney), Mark Culver (ECICOG), Brenton Blackford, Chief Hoyt, Treva Davis, and John Ryan were also present.

Blakely made a motion to approve the agenda, seconded by Baych. All ayes. Motion carried.

Barner made a motion to approve the following consent agenda items: Approval of February 9, 2022, budget workshop minutes, February 9, 2022, regular meeting minutes, and approval of bills, seconded by Kilburg. All ayes. Motion carried.

Deputy Tindal presented the sheriff's report. 24 calls for service from 2/7/22 2/21/22. Chief Hoyt presented fire report. Thanked the sheriff's department for their assistance at all the calls and specifically at the recent Geneva Tower fire in CR. There are 27 current active members. All members trainee or certified up to FF1 or higher. The department answered 188 CFS in 2021 28 CFS for 2022. The department has received a donation of over \$160,000 worth of mannequins. The department has also received a donation of an auger system that will help with grain bin rescues. The department is currently working with the school to take over the CPR program. Baych wanted to thank everyone at the fire department for their assistance given at the recent Martelle grain bin accident. Chief Hoyt said it was a group effort with a good outcome. Library minutes presented. Parks presented minutes. Wyman presented written Public Works report. Wagaman presented written clerk's report with an addition that the Gazebo in Butler Park is completed and has passed inspection. Mayor had Treva give an update on welcome packet. Her and Susan have seven sections completed. Hope to have something in the next couple of months for the council to preview. Merritt let council know that they need to look at the parking of trailers on streets. The trailer on Mill Ave in front of the school parking lot was hit. He is concerned that they are too dark and are not visible at night.

Mayor invited citizens with input to speak. There being no public comments, Andersen moved to business.

Brenton Blackford of 405 5th St requested a hearing in front of council to request more time to abate his nuisance. The tires have been removed from the property. His junk vehicles have been removed except for a GMC which is in storage, and he will be restoring it. He will keep it running and parked away from the road. He has given his renter 30 days' notice to vacate his property. Some of the junk vehicles are the tenants. Council agreed to give an additional 30-45 days to check back when the tenant has left. His new lease states that no vehicles can be parked outside of the building. There were some questions about the code that will take some time for council to review, but they are pleased with the progress that has been made to the property. Brenton wants to make sure that council is good with things. Wagaman and Blackford will get back in touch late March or early April to see about the tenant.

Blakely made a motion to approve Resolution 10-2022 to close the street for the St. Patrick's Day on March 17, 2022 @ 6PM, seconded by Barner. RCV: AYES: Kilburg, Baych, Merritt, Barner, Blakely. NAYS: None. **RESOLUTION 10-2022 adopted.**

Mayor Andersen and Parmenter updated the council on the status of the Big Creek Debris project. All parties are covered under the contractor's insurance policy, Mr. Suri's portion of the project is in a trust account at Lederer Weston and Craig. There was a pre con meeting and the contractor would be able to begin this week and hopefully finish the project within a month. Kilburg made a motion to approve Resolution 11-2022, to accept the construction contract with Maple Valley Tree Service for the Big Creek Debris Clean up, seconded by Baych. RCV: AYES: Blakely, Barner, Baych, Merritt, Kilburg. NAYS: None. **RESOLUTION 11-2022 adopted.**

Council discussed vacating the alley adjacent to John Ryan's property on High Ave. Council is favorable to vacating. Parmenter reminded council that Ryan is the only person who can gain this property. Barner made a motion to approve Resolution 12-2022, to set a public hearing to vacate an alley on Monday, March 7, 2022, at 6PM, seconded by Blakely. RCV: AYES: Blakely, Baych, Kilburg, Merritt, Barner. NAYS: None. **RESOLUTION 12-2022 adopted.**

Blakely made a motion to go into a closed session pursuant to Iowa Code Section 21.5(j) to discuss the purchase of particular real estate where premature disclosure could be reasonably expected to increase the price the governmental body would have to pay for that property or reduce the price the governmental body would receive for that property, seconded by Baych. RCV: Ayes: Barner, Baych, Merritt, Blakely, Kilburg. NAYS: None. Council entered closed session at 6:48 pm.

Barner made a motion to come out of closed session at 6:56 pm, second from Kilburg. RCV: AYES: Baych, Barner, Kilburg, Blakely, Merritt. NAYS: None. Motion carried.

Baych made a motion to authorize City attorney to prepare purchase agreement with Nikki Bracy in the amount of \$750 for Parcel A of Plat of Survey 349 and to authorize Mayor Andersen to sign said agreement, seconded by Blakely. RCV: AYES: Merritt, Kilburg, Barner, Blakely, Baych. NAYS: None. Motion carried.
