Sponsored by the Witwer Healthy Aging Program

The Month of May-  
the birth flower is the  
Lily of the Valley,  
which signifies sweetness, humility,  
and a return to happiness.

What's Happening by little Karen A.  
SENIOR DINING AT SALLY'S

My husband and I had the opportunity to attend the "Senior Lunch" at Sally's restaurant this week. The lunch is offered twice monthly, the 1<sup>st</sup> and 3<sup>rd</sup> Wednesdays, to ALL seniors who wish to attend. We were pleasantly surprised to find the meal so well attended as there were close to 40 people in attendance. A meal of spaghetti, corn, garlic toast and pears was plentiful in portion and the food was delicious. Also included was water or coffee, and a wonderful piece of apple pie for dessert. The servers were community volunteers and each of them were warm and friendly as they greeted us on arrival and then served our meals. This made us feel welcome and it really helped make the meal an enjoyable experience. We are new to the community in the past 5 years and it has not always been easy to make acquaintance with others in the area. I would encourage anyone who is eligible for the senior dining to give this lunch program a try. Possibly you can meet someone new and share a meal while you visit with your neighbors. It is a real bargain at a low cost of just \$3.50 per person. Thank you to Sally and her staff for helping pull the community together by hosting this senior lunch program.

SUMMER POOL FILLING  
IT'S THAT TIME OF YEAR!!

If you would like credit back on your utility bill for your pool fill, you must get the meter reading, before you fill your pool, and then after. Call or stop by City Hall with these readings and we will credit you back the gallons used on the sewer portion of your bill.  
Call City Hall- 854-6428

### Historical Feature

**May 2015 – SAHS report**

#### Historical Society to meet May 12

The Springville Area Historical Society (SAHS) will meet Tuesday, May 12, at 6:30 p.m. in the SAHS building, next door to City Hall. Meetings are held on the second Tuesday of each month, and everyone interested in the history of Springville and the surrounding area is cordially invited. Thirteen persons attended the meeting April 14, including two guests, Phil and Karen Randall. Non-members are always welcome. SAHS was saddened by the loss of member **Walter "Wally" Searcy of Whittier, who died April 11.** President Bev Franks spoke about Dollie Tabasinsky, who lived on a farm two miles west of Springville. Born in 1885, Dollie was a great-great-granddaughter of Revolutionary War veteran Elijah Jones, whose son Anson came to Springville in 1848. Dollie, a member of Daughters of the American Revolution (DAR), died in 1968. Bev also reported on her contact with the Iowa Museum Association, which SAHS recently joined. It was voted to obtain the assistance this summer of a qualified college student, through IMA, to assist in organizing the growing collection of artifacts. Kelly Schmidt displayed several interesting Springville items he obtained online. Included were two photos, **one that included Springville's first mayor, George Durno, and an engraving of the William Finley Wilson farm in Section 22 of Brown Township.** Rick Heeren observed that the SAHS meeting date coincided with the anniversaries of two tragic historical events: the shooting of President Lincoln by John Wilkes Booth April 14, 1865, and the collision of the Titanic with an iceberg April 14, 1912. Dixie Brady discussed ongoing efforts to obtain expert advice about renovation of the Brown monument in the Springville Cemetery. It marks the graves of Revolutionary War veteran Nathan Brown, who died in 1842, and members of his family. Bev **noted the Genealogical Society of Linn County's 50th anniversary May 2 at the Masonic Library in Cedar Rapids.** Actor Tom Milligan will portray Grant Wood in a one-man show at 1 p.m. Bev also said SAHS will be open on the morning of July 24, when RAGBRAI bicyclists go through town. Pat Denny Reid was present and gave SAHS an original copy of the 1911 Linn County History, Vol. I. Bev brought a 1987 aerial photograph of Springville, a donation from Ann Petersen, who also loaned SAHS a second, undated aerial photo. Others at the April 14 meeting were James Crow, vice president; Jean Schmidt, secretary-treasurer; Karen Taylor, historian; Doug Beard; Wes Bender and Pat Rose.

#### **Viola, Iowa, named for little girl**

An early Linn County settlement was called Crow Creek for pioneer Edward M. Crow, who **arrived in 1837. A later name was Leonard's Station.** The town was platted June 27, 1861, on land owned by the Dubuque, Marion and Western Railroad, and Joseph Leonard – who

named it in honor of his youngest daughter, who was almost 7. Viola Clara Leonard was the seventh child of Joseph and Sarah J. Donahoo Leonard, married Jan. 4, 1838, in New Boston, Ill. Five children were born there. In 1851, the parents and Marcellus, Josephine, Benton, Jennie, and Walter, ages 12 to almost 4, moved to Crow Creek, Iowa. Baby Sarah was born in 1852 but lived only 10 days. Viola, born July 29, 1854, remained the youngest child for 11 years. In that time, two of her siblings married and another went to war. Josephine, 17, married widower John L. Ingram in 1858. Two years later, Marcellus, 21, wed Mary Catherine Ingram (sister of John). Benton, 20, joined Co. K, Sixth Iowa Cavalry in 1862. The youngest Leonard, Freddie, was born in September 1865. In March 1866, Jennie Leonard, 21, married DeWitt Ackley, a Civil War veteran who had served with Benton. Freddie, 9 ½ months old, died in July 1866. Benton moved to Colorado, and Walter married Henrietta Newland in September 1871. Viola taught school at Viola, then married Ohio native James Crew Nov. 7, 1878. The 1880 census found them in Jones County, where James was a butcher. Their first child, Sarah Elizabeth (Bessie) was born in 1881 at Anamosa. Two more children, Ivan Leonard and James Ralph, were born in 1883 and 1886 at Viola. In the late 1880s, the Crew family moved to Clearfield in southwest Iowa, and James farmed. Daughter Florence (Flossie) was born in May 1890, and son Frederick Harold in March 1895. Around 1900, James Crew went into the furniture and undertaking business in Clearfield. Viola joined the Royal Neighbors and the Fortnightly Club. Her widowed mother, Sarah Leonard, lived with them. (Sarah died at Clearfield in 1901.) In 1905, Bessie became Mrs. Joseph D. Barrans. Ivan married Stella Viola Hartman in 1910. Florence wed Fred M. Ewalt in 1914, followed in 1915 by the marriage of Ralph Crew and Marie Grossmann. Fred Crew lived at Benton, Ark., and later Portland, Ore.; whether he married is unknown. Viola Leonard Crew lived to be almost 82. She died July 18, 1936, ten years after her husband. Surviving were her five children: Ivan in Diagonal, Iowa; Fred in Arkansas; the others in Clearfield; and seven grandchildren. Viola is buried beside James in Clearfield Cemetery, far from the Linn County village that bears her name. *(Thanks to the Rev. Anna Mae Peck of Vermillion, S.D., for assistance with this article. kt)*

**ANOTHER VIOLA:** *A township in Audubon County, Iowa, is named Viola. A hamlet there, Viola Center, had a post office from 1881 to 1900. The Viola Center Cemetery dates to the 1840s.*

#### **Monday Club founded in 1901**

Part of last month's historical feature about Monday Club was accidentally omitted. The group's name was chosen at the first meeting Nov. 8, 1901. Monday Club was founded by **23 women "for literary research and study for the mutual enlightenment of its members."** *(Springville New Era, 1901)* It is the second oldest social organization in town. The oldest is **Springville's Masonic Lodge No. 139,** chartered in June 1859.

## Summer Reading Coming Soon!

“Every hero has a story” and that can be YOU. Make this summer a reading summer! Enhance your reading skills, broaden your mind, and have fun at the library with your friends or even make new ones! Every year we sponsor a Summer Reading Program and it is always a great time for ALL ages. Watch for sign up date and programming in the future. You never know what “hero” you may find in the library!

## Thanks Clean Cut Services!

The library grounds are looking fantastic, and it's all thanks to Clean Cut Services! They tend to our grounds every year and every year they get better and better! We're so grateful to have such a dedicated team looking after our greens!

**Thank You!**

## Library Picks!

To continue my focus on interesting books to try that are out of your zone, here are a few more.

### **Born Yesterday: The Diary of a Young Journalist by James Solheim**

This is a delightful picture book chronicling the life of a baby in the family from point of view of the baby. This is such a fun book about family life, fitting in and communicating. E Fic Sol

### **Way Up and Over Everything by Alice McGill**

This is a retelling of a folktale. Folktales are a big part of our history. They start out as verbal stories that are handed down from generation to generation. Each storyteller put their own spin on the tale which makes them more and more interesting. This tale is about 5 African slaves who escape the horror of slavery and simply disappear into thin air. The book is illustrated very well with simple pictures depicting what it was like in that period of time.

J 398.2 McG

### **Insect Detective by Steve Voake**

Insect Detective is a great identification book for children and families. The information is great and will aid in the identification of insect life. The drawings are done in pen and watercolor, create a serene and magical world. J 595.7 Voa

**New Movies:** Iron Man, Iron Man 2, Gran Torino, The Grand Budapest Hotel, Divergent, The Muppets, Birdman, The Theory of Everything, The Imitation Game, and Into the Woods.

## ILL Available Here!

What is ILL? Inter Library Loan. This is a service we offer through the State Library. If there is an item you wish to borrow and our library does not have it we can order it from another library in Iowa. They will send it to us and we will call you when it comes in. This is a service with a \$2.00 charge to help with the postage. Please call the library if you have any questions about this service.

## New Library Fun!

The “Rove” has roamed into the library. The Rove is a 20in table we've loaded up with lots of fun games. We're excited to have it and plan to put it back in the children's area for them to do some interactive gaming and have some fun!

## Crafternoon Hiatus

During the summer we've decided to put Crafternoon on hold. Summer is such a busy time both for the library and our patrons. We plan to start back up in August or September.

## Quilting Workshop

On Saturday May 23<sup>rd</sup>, the library will have a quilting workshop during open hours (11-3). This workshop will be run by Linda Eldred and Mary Anne Herring. It will cover the basics of quilting.

## Book Fair!

The Library will be hosting an in house book fair to kick off summer reading! The Book Fair will be provided by The Book House. We're so excited to have them here! The fair starts June 2<sup>nd</sup>.

AT THE HIGH SCHOOL

## CONGRATULATIONS AND

BEST WISHES!!!!

## COUNCIL PROCEEDINGS

April 2, 2015

A Public Information Meeting was held on the 6<sup>th</sup> Street South Sidewalk. Questions, comments and general discussion was held on the proposed 6<sup>th</sup> Street sidewalk before the start of the council meeting.

Mayor Shebetka called the regular meeting of the City Council to order at 6:00 pm in Springville City Hall. Present on roll call: Brady, Hoyt, Ralston, Merritt and Sindelar.

**Consent Agenda:** M/b Brady, 2<sup>nd</sup>/b Hoyt, to approve the consent agenda as posted. All ayes, m/c.

**Citizens with Concerns Not on the Agenda:** Councilman Merritt voiced concerns about the newsletter. He has issue with the newsletter content and the time spent to author each publication. Varying opinions were expressed by council and those in attendance. Bixler noted many compliments on the newsletter are received from Senior Citizens. Mayor Shebetka noted it costs approximately \$85 per month to publish 200 newsletters. It was agreed that the newsletter is important to the citizens of Springville.

**Sheriff:** Deputy Steffans provided the service log for March 16, 2015 through April 6, 2015. There were 22 calls for service. March hours of service: 110.6.

**Public Works Maintenance Report:** Todd gave the maintenance report. They are trimming trees, getting ready for the spring lagoon discharge and have a catch basin problem on 6<sup>th</sup> Street.

**Clerk:** submitted to the Council the weekly Broadway Street report, 256 Broadway

### Old Business

**256 Broadway Committee:** Roger is still talking with citizens to develop a 256 Broadway committee. This will be discussed again at the April 6<sup>th</sup> meeting.

### New Business

**Audit:** Bixler reviewed the "Audit Comments" with the council. A copy of the commentary is available at City Hall.

**5<sup>th</sup> Street Tree Bid:** Todd had Bug of D&D Tree Service assess 3 trees on 5<sup>th</sup> Street. The trees have some branches hanging that need to come down at some point. Discussion was held on identifying dying or diseased trees to create a "tree list" in order that contractors could just bid an already approved list and to budget more effectively for tree removal in each fiscal year. Funding for tree trimming or removal is put in each fiscal year budget, but the amount is based on what was needed the previous fiscal year. D&D Tree Service gave a price quote for the removal of the 3 trees. When it is decided the trees need to come down bids will be taken for the project.

**Seal Coat List:** Todd explained to the Council that LL Pelling will be working extensively in the area this spring and would like to include Springville in their lineup of towns. Springville seal coat project for FY 2014-15 has not been completed yet. LL Pelling would combine the current fiscal year project and FY 2015-16 project and allow payment to be split between the 2 fiscal years. Designation of streets to be seal coated for FY 2015-16 will be an agenda item at the next council meeting.

**Sidewalk Program:** City employees informed the council that the sidewalk program as it is currently setup is not working. Assessing repair by the "square of sidewalk" is not conducive to homeowners fixing a single square or contractors bidding several single squares in different sections of Springville. Consensus was that the program needs to be started earlier in the season with an earlier completion date also. This will be discussed again at the April 6<sup>th</sup> council meeting.

M/b Brady, 2<sup>nd</sup>/b Hoyt approving **Resolution #11-2015: A Resolution Adopting FY 2015-16.** Roll call vote, Sindelar absent. M/c.

M/b Merritt, 2<sup>nd</sup>/b Ralston approving the 2nd reading of Ordinance **#1-2015: An Ordinance Amending the Official Zoning Map, 2001 for the City of**

**Springville, Iowa in Accordance with Section 165.05, Changes in the Official Zoning Map (Caraway)** and to waive the 3<sup>rd</sup> and final reading. Roll call vote, Sindelar absent. Motion carried. Ordinance #1-2015 is duly adopted and shall be published and posted as prescribed by Springville Code, Chapter 18.05(2): Manner of Publication.

**Correspondence:** Library liaison Maretta Ralston noted that Library Board President has problems with the newsletter.

**Next Meeting:** April 16, 2015.

M/b Hoyt, 2<sup>nd</sup>/b Merritt to adjourn at 7:48 p.m. All ayes, m/c.

### Work Session – April 13, 2015

Mayor Shebetka called the special session of the City Council to order at 6:00 PM at City Hall. Present on roll call: Ralston, Brady, Merritt, Hoyt and Sindelar. Attorney Megan Dimmitt was also present.

The city council met to review the employee manual and make needed changes. Attorney Dimmitt noted changes in wording or terminology that were needed due to changes made at the state or federal level. Council reviewed the manual page by page and noted changes made by the attorney. Pertinent sections were reviewed and some changes made. Another work session will be scheduled if needed.

Mayor Shebetka adjourned at 8:26 p.m.

### CITY COUNCIL PROCEEDINGS

April 20, 2015

Mayor Shebetka called the regular meeting of the City Council to order at 6:00 pm in City Hall. Present on roll call: Brady, Hoyt, Ralston, Merritt and Sindelar.

**Consent Agenda:** M/b Brady, 2<sup>nd</sup>/b Sindelar, to approve the consent agenda as posted. All ayes, m/c.

**Citizens with Concerns Not on the Agenda:** Treva Davis announced The Red Cedar Chamber of Music Group will be at the Library this Saturday, April 25<sup>th</sup> from 1-3. A generous donation from Jones Regional Hospital made this free event possible.

**Sheriff:** not available.

**Public Works Maintenance Report:** Todd gave the maintenance report. He has removed the 2 Evergreen bushes in front of city hall, council to decide what to put back in their place? Todd has talked with the tire representative, and we are, in the system of the tire company to receive a rebate due to failure. Todd and Brandon have also gotten the water installed to the edge of Upper Butler Park. If the weather continues to not delay work, Todd noted they could start paving in 2 to 3 weeks on the last Phase of Broadway.

**Mayor:** Mayor received a request from the school to chalk the side walk in Butler Park, it is just chalk so will come off, this will be done on April 25<sup>th</sup>. He encouraged and suggested to the council to attend available workshops/work sessions. Also Springville has received a Safety Dividend from Iowa Association Of Municipal Utilities (IAMU) in the amount of \$2315.00.

**Clerk:** Clerk reported the days the contractor worked on the Broadway Project, and that the first payment had been made. She referred to the packet, the Fire Department quarterly report, the Parks and Libraries monthly reports, and the Library minutes were included. We are needing to set the first Ragbrai meeting for the town so look for that upcoming date. Councilman Hoyt volunteered to be on the Ragbrai committee.

**Fire Department :** nothing to report

### Old Business

**256 Broadway Committee:** We are still working on putting this group together, am in need of interested parties.

**Mower Bids:** Rexco entered a late bid for the purchasing of a new mower. It included a trade in of the old ExMark. Part of council supports the Rexco bid while others supported the Scherrman bid. M/b Hoyt, 2<sup>nd</sup>/b Brady to accept the Scherrman bid, m/f. M/b Sindelar, 2<sup>nd</sup>/b Ralston, to accept the Rexco bid. Ayes- Ralston, Sindelar, Merritt. Nays- Hoyt, Brady. M/c.

**Broadway Street Project Lighting:** Councilman Hoyt and Sindelar have worked and came up with a placement of 22 new street lights for along the Broadway Project. Their plan will be sent to the Engineer to make sure the placement is good for accurate lighting.

### New Business

**Scott Motors Cemetery Driveway Proposal:** tabled

**MSA Contract Signing to begin Sewer Rehab Study:**

M/b Brady, 2<sup>nd</sup>/b Sindelar to accept and sign the contract to begin the Sewer Rehab study. All ayes, m/c.

**Seal Coat List:** A lot of discussion on the streets and what everyone thinks needs repaired and future fixes and problems. All agreed it would be nice to do more but limited on funding. Todd reduced LL Pellings original list to fit into the allowable budget. M/b Brady, 2<sup>nd</sup>/b Hoyt to accept the list of streets to be seal coated as per Todd's redo. All ayes, m/c.

**Parking Sign between the Library and Post Office:**

Several vehicles have been parking in the Post Office parking lot, from misinterpretation of the parking sign location. Todd settled with Treva that the sign will go in the flower bed by the fire hydrant.

**Beginning of Engineering for the 5<sup>th</sup> Street- Street Project:**

Councilman Hoyt stated the school should be involved, as we need the specs for the proposed new building and how to correct some poor drainage issues. The city has no real scheduled date at this time so are just starting the discussion and planning phases. Until some unanswered question get solved no need to spend time and money on this project.

**Resolution #06-2015: A Resolution Approving Temporary Construction Easements Related to the Broadway Phase IV Project for Burnell (as amended).** This states the removal of the sidewalk from the streets project plan, and no guarantee to Burnell's of any future sidewalk installation. M/b Hoyt, 2<sup>nd</sup>/b Brady. All ayes, m/c.

**Correspondence:** Todd presented a Hoop Structure Spec Sheet for discussion and for council to study for understanding. This would be the packet sent to companies for bidding. This will be on the next agenda for further discussion.

**Next Meeting:** *Work session on April 27, 2015.*

M/b Brady, 2<sup>nd</sup>/b Merritt to adjourn at 7:30 p.m. All ayes, m/c.

SPENT AN AFTERNOON  
AT THE SPRINGVILLE CEMETERY**

**GIRL SCOUT TROOP 8270  
PICKED UP LITTER FOUND AT  
COX LAKE, BUTLER PARK, AND  
THE SCHOOL GROUNDS**

Iowa One Call provides contractors, homeowners, and others who may be excavating, digging or trenching with a single toll-free number to call for locating and marking underground facilities before you dig. The toll-free Iowa One Call number is

## EMERALD ASH BORER

The company TRUGREEN has been contracted to make applications to the cities Ash Trees that will repel the Emerald Ash Borer for a period of two years. Trugreen has offered this treatment to our citizens for the same price. Pricing is based on the size of the tree. So each tree will need to be measured by John from Trugreen for pricing. The fee is \$10 per DBH in. Average price is between \$100 to \$150 per tree. John must be contacted directly for this pricing. If interested call John directly or contact City Hall for further information:

## REMINDERS

≥Water meter readings & payments are due on the **15th of the month**. If the 15<sup>th</sup> of the month is not a business day, you have until the end of regular office hours on the first business day after the 15<sup>th</sup>. Payments can be put in the drop box in the city door. Readings can be emailed to [cityofsp@netins.net](mailto:cityofsp@netins.net), or left on the answering machine at 854-6428.

≥**Deadline for items in the next newsletter /community calendar is April 17<sup>th</sup>.**

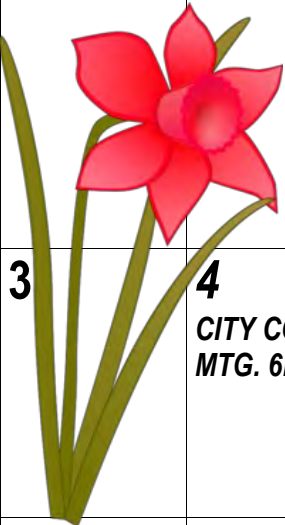

≥Rudd Trash Tags are available for **\$3** each at the City Clerk's office, Woody's One Stop and Casey's General Store. One tag is to be placed on each "collection bag or container". Collection bags are plastic, water-tight bags securely tied or sealed. Each bag or container shall not exceed forty pounds or 33 gallons when full. Please make sure each bag you set curbside has a sticker on it. Bags or containers without a tag will be left curbside. Recycle tubs are available at the Clerk's office for **\$14** each. **A special reminder from Marsha at Rudd: Pickup time begins at 5 am, everything needs to be set out before 5 AM, as routes may vary. Rudd does not recycle glass. Glass containers should be placed in your regular trash container or may be taken free of charge to the Cedar Rapids/Linn County Solid Waste Agency.**
