City Council Candidates

Lyle Anderson:

I have been around or in Springville my entire life. I graduated from high school here, in 1966. I then attended Kirkwood Community College – graduating in 1968. Following graduation, I entered the Navy during the Vietnam War. After military duty, I joined the American Legion Post #331 where I have been an active member for 47 years.

My working career was in both retail and wholesale sales of agricultural equipment throughout the state of Iowa. I retired in October of 2015.

Turning my attention toward city business, my interests are in community growth – both residential and commercial. Additionally, I am interested in better business efficiency for our community.

Jeffrey Grimley:

I have lived in Springville since 1989. I am married and have two children (now grown) who attended Springville Schools. I own the house at 306 1st Ave and the building at 302 1st Ave. When I am not at work, I am usually in 302 1st Ave. working on old cars or hobbies.

I works at Rockwell Collins as an electrical engineer. I served on the Springville Library Board and was a Springville City Council member for 11 years. I am a member of the Methodist Church and served on several school committees including CAST and SAMS.

Patrick J. Hoyt Sr.:

I would like to introduce myself to the people of Springville.

For those residents of Springville who may not know me, I am a life time resident of Springville. Married 41 years, I am a father of three children, two of which graduated from Springville High school and are active in the community today. I have eight grandchildren, seven of which attend our newly built Springville Elementary school. I recently retired from the State of Iowa after 15 years, where I served as a Family Readiness Coordinator for joint military services, charged with helping deployed service members and their spouses with daily needs, as well as support post-deployment. I volunteer as an EMT/Firefighter with Springville Fire and Rescue as I have done for the past 21 years protecting and caring for the citizens of our great community.

As a member of your City Council, I strive to work towards progressive growth in our community. I fight for what is best in the community, willing to lend my voice for those who need their concerns recognized. I work for you, the community, while ensuring that we stay within legal boundaries and maintain fiscal responsibility. Working towards a better Springville for the past 4 years has been a pleasure, being able to do it for another 4 would be an honor.

Mayoral Candidates

Dean Besta:

My name is Dean Besta, as a homeowner and longtime resident of Springville, I'm dedicated to the future of our community. I have served in the Army and National Guard. I am currently a member of the Springville American Legion.

Springville is a city with potential. More younger families are buying homes here and enrolling their children in our new elementary building, myself included. We need to embrace the growth that is taking place and encourage it.

As your mayor, I would bring fresh ideas and a new perspective to this growing community.

Richard E. Heeren:

As your Springville Mayor, I will offer proven leadership to deliver the creative solutions our community needs and deserves. For over two decades, I have served this city as Mayor, Council member, Chairperson on Planning and Zoning, Chairperson on Board of Adjustment, Vice President Northeast Iowa Regional League of Cities, and I am a long-time member of the local Masonic Lodge #139, I was honorably discharged from the United States Navy, and am the Service Officer of the local American Legion Post #331. My work experience and volunteerism has allowed me to be involved with a variety of local non-profits and community groups over the years. My work experiences and volunteerism clearly demonstrate my ability to accomplish tangible results. Since my retirement last year from the Wm. Peterson Architectural Firm in North Liberty, I now have considerably more time to devote to proudly serve as your Mayor. My education includes an Associates Degree of applied science in Architectural Technologies – Kirkwood and Emergency Management Certifications from Emmetsburg, MD. Earning the IS-0000 Certification, including National Incident Management System (NIMS), Emergency Response to Terrorism Certificate and completing the National Fire Academy Course. Now I hope to continue my efforts, as the city's Mayor, to bring about the greater changes Springville needs.

The current economic climate offers an opportunity for our city to get serious about addressing some of our biggest ongoing challenges. As your Mayor, I will focus on our economy, environment, transportation, and protecting Springville's character by working in better cooperation with our fine school system to create local jobs thru responsible initiatives and to preserve what makes our city special. We need to pay more serious attention to the proper, wise utilization of city funds, and honestly address these issues that are brought to us by you, our citizens (and "employers"!). To effectively address these issues we must regularly engage the residents of Springville to help us find solutions that reflect the collective talents and creativity, compassion and conscience of our citizens.

Now is the time for practical solutions to the challenges Springville is facing. I sincerely look forward to meeting with you, the citizens of Springville, and hearing your concerns and ideas as we address these Challenges, and **I ask for your support November 7, 2017** as we VOTE to move Springville forward, together.

Thank you.

Plans for restoration of Brown Monument announced

Revolutionary War veteran Nathan Brown died Nov. 25, 1842, near Springville. Now his badly deteriorated monument in the Springville Cemetery will be restored by Philip Michel of Solon, owner of Memorials by Michel, in 2018.

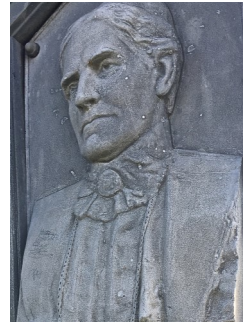

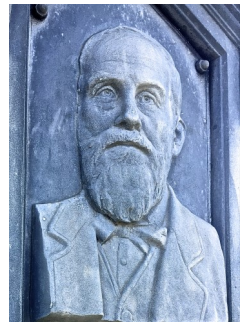

Grants will be applied for, and donations welcomed, to cover the nearly \$34,000 cost, said Bev Franks. "It's a large sum, but preserving this monument is important," she stated. "It honors the memory of one who fought for the founding of the U.S.A. and all the freedoms we enjoy today."

Ms. Franks represents the Marion-Linn Chapter, Daughters of the American Revolution (DAR) on the Brown Monument Restoration Committee. (*Separate article lists other members.*) Springville's City Council approved the project Oct. 16.

Springville owns the cemetery; the monument belongs to Brown's descendants. Two have been located, in California and Texas, and have okayed the restoration. American Legion Post 331 of Springville is the governing body for fundraising.

Nathan Brown was born just north of New York City in 1761 or 1762. His first combat was the Battle of Harlem Heights (N.Y.) Sept. 17, 1776. After the war ended in 1783, he lived in New York state, Pennsylvania, and Illinois before coming to Linn County, Iowa, in May 1839. In 1841, the township where he settled was named in his honor.

Brown's grave was originally in the Paralta Cemetery south of Springville. It was moved to Springville (date unknown), probably by order of his son Horace. Horace bought the monument in 1886, according to a Cedar Rapids Gazette article in 2014. Only one other Revolutionary War veteran's grave is in Linn County. Virginia native John Osborn is buried at Center Point.

The Nathan Brown Monument, made of zinc, has stood in the Springville Cemetery since 1886. About 20 feet tall, it has bas-relief portraits of Nathan's son Horace and daughter-in-law Julia on two sides.

TAX-DEDUCTIBLE GIFTS, any amount, are welcome to help restore Springville's 131-year-old monument to Nathan Brown, Revolutionary War veteran. Checks payable to Nathan Brown Monument may be mailed or brought to the Exchange State Bank, P. O. Box 39, Springville, IA 52336.

MEMBERS OF THE BROWN Monument Restoration Committee are James Crow, representing American Legion Post 331; Wes Bender, Springville Area Historical Society; Rick Heeren, Masonic Lodge No. 139; Bev Franks, Marion-Linn DAR chapter; Cristy Hamblin, Ashley DAR chapter; and Karen Wilson, Mayflower DAR chapter.

Four recall Thanksgivings of many years ago

Merle "Van" Van Sickle of Marion, 99 on Nov. 1, grew up near Springville. He spent childhood Thanksgivings at his Cashman grandparents' Clarence home, where he had "a whole bunch of cousins to play with." (Van had one sister.)

In the 1920s, his family made the 30-mile trip to Clarence in an open car with no side curtains. Van said, "My mother heated bricks to put at our feet, and we covered up with a horse blanket." Later, the family got an enclosed car.

Pat Peters Rose, 89, of Marion formerly lived in Springville and taught third grade. She grew up at Spragueville (Jackson County). Thanksgiving was spent with her aunt and uncle. Pat recalls her uncle's accent; he was born in Ireland.

"We ate duck or goose," she said. "And Aunt Margaret made great angel food cakes." There was just one cousin, and "he usually had the latest toys," recalled Pat. He shared them willingly. Pat liked his tricycle, as she didn't have one.

Pauline Dostal Randall, 94, of rural Springville, grew up near Toledo (Tama County). Thanksgiving was celebrated either at her parents' home, or with one of her father's eight brothers and sisters, all living within 10 miles.

Her mother raised ducks, so that was the Thanksgiving meat, roasted in a wood-burning stove. (Pauline had to bring in wood.) "We raised almost all our own food," she said. "About all we bought at the store was sugar and flour."

Finishing cornpicking – by hand, with horses – before Thanksgiving was the goal in **Paul Nielsen's** childhood, he said. He will turn 90 in January, and has lived on the same farm southwest of Springville for 85 years.

His mother bought 300 baby chicks yearly, kept the pullets (females), and sold most of the roosters. Roast chicken was the Thanksgiving bird. Paul's great-aunt and great-uncle from Kenwood (now part of Cedar Rapids) feasted with the Nielsens.

Nov. 14 meeting for Historical Society

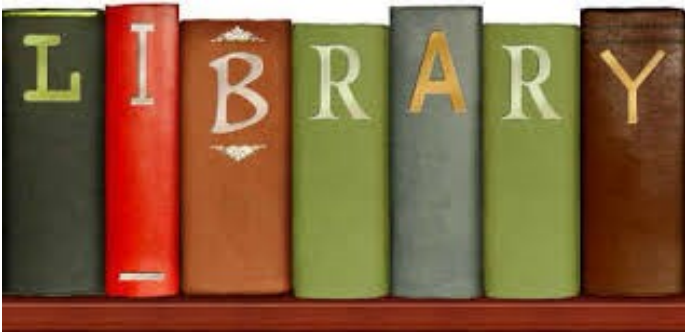

The next meeting of the Springville Area Historical Society will take place Tuesday, Nov. 14, at 6:30 p.m. in the SAHS building. All interested in local history are welcome. At the Oct. 10 meeting, Bev Franks told of plans to restore the Nathan Brown monument (*article above*).

Dedication of a memorial to Robert L. Newman at 10 a.m. that morning was discussed. It was held at the cemetery in chilly, windy weather. Vice president Wes Bender said he later received a phone call from Sandra Soper Anderson, Newman's first cousin.

Ms. Anderson, who was unknown to planners of the service, had seen KCRG-TV's report on the dedication. She has photos and other mementos of Robert, who was lost at sea during the Korean War. It is hoped she will attend and speak at a future SAHS meeting.

Jean Schmidt, secretary-treasurer, announced that Dale Lassen of Springville would be inducted to the Iowa Fast-Pitch Softball Hall of Fame Oct. 15. She showed a photo he had donated. Also, SAHS voted to contribute \$100 to the Iowa Museum Association's "Teaching Iowa History: Tools for Teachers" project.

Others present were James Crow, president; Karen Taylor, historian; Doug Beard, Dixie Brady, Rick Heeren, Dave and Eleanor Kelley, Bob McArthur, the Rev. Anna Mae Peck, and Phil and Karen Randall.

WATCH FOR CHILDREN

The new sidewalk on 6th St. and 1st Ave is complete. With this project, the students up on Heather Lane, Wild Pine and Fawn Ave. are no longer being bussed to school. This has caused a lot more foot traffic before and after school. There have been reports of some close calls between cars and pedestrians. Please keep a good watch out for kids crossing streets and make sure to stop completely where the new crosswalks are designated. Stop signs will be put up soon.

PUBLIC NOTICE

The City of Springville will hold a Public Hearing November 6, 2017 at 6:00 pm in the Springville City Hall. The purpose of the Public Hearing is to inform citizens of the City's Intent to vacate the alley on the SE end of First Street S adjacent to the park. FALL LEAVES

The changing of weather and seasons is a beautiful time of year, some would even say it is their favorite time of year. The leaves changing colors is an amazing site, but it can also leave a mess behind (no pun intended). Just a reminder about your leaf pick up, the City of Springville does not allow you to burn your leaves or put them in the street. We don't have the equipment to pick them up. We do have a yard waste site that you are welcome to use. We appreciate your cooperation with this.

Hey snow birds: as you are making your travel plans for your winter vacation, please don't forget to fill out your temporary Utility Service Change Request form at City Hall before you leave.
